Kawasaki Motors UK is a credit broker and not a lender. Kawasaki Motors UK introduces you to Kawasaki Finance as lender. Kawasaki Finance is a trading style of Black Horse Ltd. Kawasaki Motors UK will receive a payment as result of these introductions. This will be a percentage of advance. This means the more you borrow, the more commission Kawasaki Motors UK receive. Kawasaki Motors UK will also receive a payment from Black Horse Ltd to help with the cost of promoting its products. The payments will be the same, no matter what interest rate that you pay. If you ask Kawasaki Motors UK, they will tell you (in good time before the agreement is made) the amount of any payment Kawasaki Motors UK will receive from Black Horse Ltd.
